School Expectations

Respect each other

Respect property

Always try your best

Children are expected to follow the 'Caught you being good' system used throughout the school.

Punctuality and attendance

Children are able to enter school from 8:45-8:55am through their allocated doors. Registration is at 8:55am and lessons begin promptly at 9:00am. If doors are locked please enter through the front office. If your child is absent please notify the school office.

Appointments and meetings

As usual, parent's evenings will take place twice a year and reports sent out during the summer term. If you would like to meet with your child's class teacher for any reason, please make an appointment at the school office or leave a message with the teacher on door duty during morning.

Reading

Pupils are expected to bring their book bags into school daily as they will read each day with their guided reading groups. As the children are getting older, they are encouraged to choose a suitable reading book independently. Each child should continue to read as often as possible at home and enjoy the experience of reading and discussing a variety of texts.

For your information

To be secure, money should be sent in a sealed envelope with your child's name and class on it. Mobile phones should be given the class teacher and will be kept in the class safe and returned at the end of the day.

Healthy School

Drinking water is available and children are encouraged to bring in their own water bottle. They will be able to access water throughout the day. As we hope to become a healthy school we advise children not to drink juice or sugary drinks during lesson time. Fruit is available to purchase during first break and **healthy** snacks are encouraged to be eaten during breaks.

P.E.

As usual, physical education lessons will take place both outdoors and indoors this year. Children are expected to have a full and appropriate P.E kit in school for these sessions. If your child cannot take part for any serious reason, please send a signed note into school.

Homework

Homework will be set on a Friday and should be returned to school by the following Wednesday. Homework may be set in the form of a long term project or a differentiated piece. Pupils will be given a homework book to look after for the year.

Spelling

Spelling pattern activities will be introduced on Mondays and independent revision will take place during the week in guided reading sessions. Individual spellings are practiced each morning during basic skills time. On Fridays pupils will test each other on these spellings.
