### Learning through play

We are now into our second week of our 'Learning through Play' sessions. Thank you to everyone who is attending these. We hope that after the first block of sessions we will be able to offer them again to another group. We are also hoping to start a second block as a continuation of the first.

It has been lovely to see the smiles on the faces of our children who have been clearly delighted to have their mums/nanas in school working with them!

### Year 3 outside gardening area

Year 3 are trying to develop an outside area. If you have any spare gardening tools they can have please can you send them in. They are looking for spades, buckets, watering cans, brushes, plants, etc. Thank you very much.

A huge thank you to everyone for supporting us in the car park. I know the car park is too small and in an ideal world we would have a bigger one, but our new system seems to be working very well indeed. Diolch yn fawr iawn.
