End of the academic year!

Well we have reached the end of the academic year and I have to say it has been a very different end to the one we would have expected and hoped for. Let's cross our fingers that the next school year can return to normal as quickly as possible! You should have all received a letter this week with details of September. Please email me if you haven't seen this or if you want any further information. I am more than happy to be contacted throughout the summer holidays too. However, we will send out any relevant information that we get from County or Welsh Government as it comes through.

Can I also take this opportunity to thank you all for your continued support – staff, parents, pupils, governors and the community. We really do have a special school which is down to everyone who is part of it. Have a lovely Summer holiday and I look forward to welcoming you all back in September when lots of building work will have taken place and we will have an revamped 'new' school.

Diolch/Thanks

Year 4 made bird feeders last week as part of their 'Life Skills'. Here are Ben's, Eden's, Myf's, Grace's and Sophie's. Great job everyone!

Summer Reading Challenge 2020

Please find attached details about this year's Silly Squad Reading Challenge at the library. I hope you all take part.

Goodbye and Good Luck!

Thank you, Year 6, for being so fantastic this year. I've loved getting to know you all. It's a shame we couldn't give you the send-off you deserved but maybe we will be able to arrange something in September. Have a great time at secondary school and follow your dreams – Remember you can be whatever you want to be!

We are all so proud of you all.

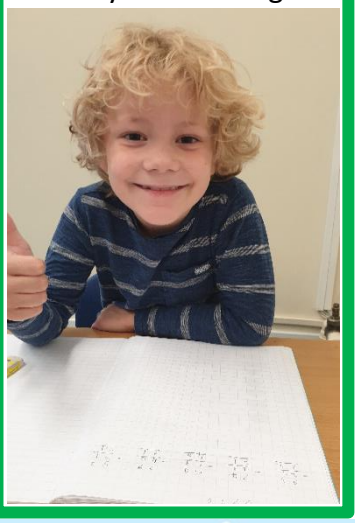
Working together...Blake, Harper and Harlow exploring floating and sinking.

Great teamwork!

George worked hard in his bubble last week! Lovely smile George.



What a strange school year we have had; I would normally be looking forward to going to the Year 6 End of Year Service, giving out the certificates, wishing the children good luck for when they arrive at their new school in September and enjoying their concert. None of this could happen this year but I can still wish all the year 6 pupils leaving for the High school my very best wishes for their future.

I know that staff, children and parents have been working hard with the home-schooling scheme which has helped, and hopefully, if things go well, we will all be back in September, raring to go.

Thank you to the staff for all their hard work getting the school Covid-19 ready to allow the children into school for a limited time over the last few weeks of term.

I hope you all keep well and enjoy your well-deserved summer break.
