Betsan a Roco yn y dref 1

A set of 8 digital books with sound, focussing on topics such as animals, travel, food and leisure.

The children in year 4 are becoming confident Lego Engineers. We have really enjoyed our STEM project over the last few weeks! Here you can see the girls in 4T with their working fan, built from Lego and programmed to work! Please scan the QR code to see Georgia, Elin and Elizabeth's (4T) fan in action!

What fantastic teamwork demonstrated by the girls during our Lego Engineer project today. They built a Lego fan and programmed the motor to work using coding blocks!

Scan with Seesaw to view this work!

Reception J have had fun designing fruit pizza faces, making them and then eating them!
