Penblwydd Hapus

I can't believe that we are at the end of the academic year already - what a year it has been! We are hoping that the next academic year will be more 'normal' and we can finally return to inviting parents into school once again. Thank you for all of your support throughout the year and for your understanding at this difficult time! I hope you all have a lovely summer holiday and look forward to welcoming you back in September.

Finally, we can't finish the school year without wishing our year 6 pupils all the best in their journey on to Secondary School. Pob lwc Blwyddyn 6 – we will miss you very much!

Despite having to isolate this week, Blwyddyn 4 have been keeping their spirits high with some fun activities at home. Below is Elin and Kaitlin taking part in their reading challenge, day 2 was to build a den to read a book in!

Great reading dens girls.

Fun activities in Welsh with Mrs German in the Reception classes, Year 1 and Year 2! We have been following commands and answering questions. We have been sorting, playing games and making patterns. Fun, fun, fun!

One of our 'at home' Maths activities this week in Blwyddyn 4 was to price up ingredients to make a family meal and to work out how much the meal would cost per family member. Elin made pancakes and Kaitlin made tuna sandwiches with a side salad. Great use of maths and life skills! Yum!

Life Skills this week!

Our visit from Technocamps helped Year 2 learn all about coding. They thoroughly enjoyed the session and learnt a great deal too.

### Free School Meal Payments

The Welsh Government has made available funding so that free school meal provision is available during school holidays.

Denbighshire County Council have made arrangements for these payments to be made weekly during the summer holidays (21<sup>st</sup> July through to the 31<sup>st</sup> August), with the first payment to be paid direct to parents on the 19<sup>th</sup> July.

### Clwb Penmorfa Graduation 2021

The playgroup children coming to Ysgol Penmorfa full time in September had a Graduation this week. Here are a few pictures - don't they look fantastic!

### **Ap Iaith**

Move around the island playing games based on different language elements, such as tenses, idioms and vocabulary.
