10th September 2021 (No. 1)

Welcome Back!

Welcome back to the new academic year, we all really hope that this year will be far more normal and we will be able to start inviting parents and family members back into school before long! However, in the meantime, we do ask that you continue to stay safe, keep your distance and wear face coverings when dropping off or picking up your child/children as cases are sure to rise in the first instance.

Speech and Language

The independent health services watchdog for North Wales – the North Wales Community Health Council (NWCHC) - is keen to hear from people who have experiences of Speech and Language Therapy services in North Wales. The NWCHC will be hosting a series of face to face events across all six counties of North Wales and via video conference, during September, October and November. Patients, their carers and their families are invited to talk about all aspects of NHS Speech and Language Therapy Services.

Please see the poster attached if you are interested and for further information.

Between September 6th and October 24th Morrisons are running a programme called '**It's Good to Grow**' for primary schools. Please use your My Morrisons card each time you shop at Morrisons in store or online.

You will get one **Grow Token** for every £10 spent and then you can donate these straight to school via the My Morrisons app or website. After the collection period ends, we can redeem the Grow Tokens against a wide range of gardening equipment for our school.

2R have enjoyed learning new maths skills and making music on the outdoors stage.

Year 6 went out and about looking for signs of pollution in our local area. They were very glad of the shade on the walkway to Dyserth

A message from Denbighshire School Meals

A warm welcome back to school to everyone, we just wanted to invite parents to take a look at the menu we have on offer on our website

<https://denbighshireschoolmeals.co.uk/primary-menu/>

We only use quality ingredients in our dishes and all of our meals are prepared and cooked fresh onsite in Ysgol Penmorfa Kitchen.

All of our Menus are nutritionally balanced to improve learning and development. Children eating together helps and support social skills and will introduce a wide range of foods daily. The staff in the kitchen are also parents and understand that not all pupils like the same foods which is why we offer a number of meals daily to suit everyone's tastes.

'Go Ride' Racing Mountain Biking have two 'Go Ride Racing MTB' events this month. Both of the events are at Llandegla which is on the A525 road between Denbigh and Wrexham. 15th September is for U6, U8 & U10 and 22nd September is for U12, U14 & U16. Please see information sheet attached for further information.

Year 1 had fun investigating what happens when warm water is poured over skittles!

Look what happened!

Year 2 have been making numbers using Playdoh.

We have a number of new staff who have joined us at Ysgol Penmorfa this academic year.

We welcome:

Mr Simonds, Mr Johnson, Miss Parry, Miss Vaughan and Miss Tredrea as TAs, Miss MacDonald a cleaner, Miss Evans an NQT teacher working across the school, Mrs Murphy covering staff leave in Nursery and Mrs Beanland our new Family Liaison Officer.

Penblwydd Hapus
