## Reception Coffee Morning Tuesday May 10<sup>th</sup> 2022

Now that we are finally able to invite you into school we thought it would be nice to have an informal coffee morning get together. For some of you, this is your first experience of sending your child to full time school, while others may have had children go through the school before. However, there have been lots of lovely changes at our school, and it would be lovely to say Hi and show you a little bit about how your children are learning. After you drop off your child on the day, please head to the school hall where we will be waiting with tea, coffee and lots of biscuits! We can chat about how your child is learning phonics, reading and maths as well as the important role you have, in supporting them at home. The following week, we will be holding individual parents' evenings, and this will be when we can talk about your child's progress and show you their work.

It will be lovely to see you  
Mrs Hambridge and Mrs Jones.
