1F had great fun exploring outdoor challenges.

PIC-COLLAGE

Year 2 had a fantastic time at the cinema, as part of the Into Film festival. They made poppies for Remembrance Day, wore odd socks and talked about the importance of being kind. They also had a visit from Mrs German, who told us all about her job as a councillor. A very busy week!!!

Children in Need

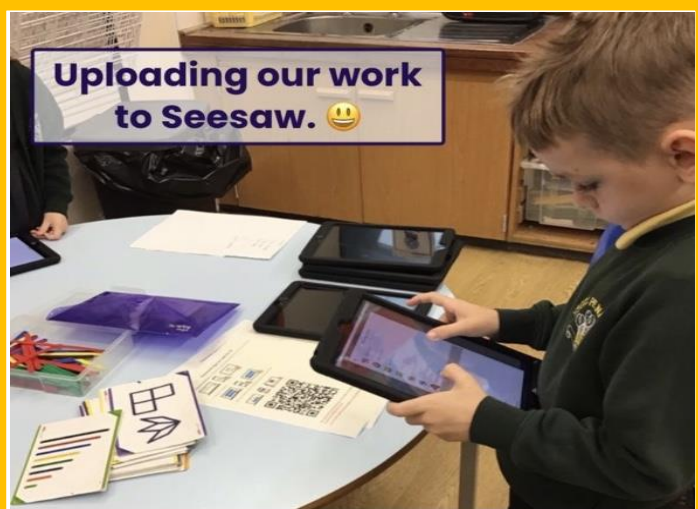

We have had another wonderful visitor in Blwyddyn 4 this week. The children loved learning about the amazing job that the Fire Service do and enjoyed trying on the protective gear! We have some aspiring firefighters in Blwyddyn 4 now!

I have proved that 25 is a square number. by using counters

I have been using counters to see whether a number is square. The symbol for a square number is a little 2

64 is a cube number because we can make a cube out of it.
 $4^3 = 64$
