Hello!

We can't wait to welcome lots of our children back next week. We have worked hard to get the school ready and to organise the plans to ensure the safety of everyone at Penmorfa. There will be plenty of staff out in the carpark, on the gates and external doors to guide you in. Please ensure that you follow the 2 metre social distancing rule, walk to school if possible and only with members of your household.

Below is Elin creating the Olympic Leaf Crown which she made this week. She's modelling the finished product too which looks great!

Georgia has also had a go at making her own Olympic Olive Crown this week. Fantastic!

Hallie in Reception has been learning how to do some household chores this week. Here she is helping to Hoover the lounge.

Joe, Holly and Emily had their own sports day at home in the garden! What a great idea and look at their winning trophies!

Thank you/Diolch.

Contacting School / Teachers

Even though we are returning to school on Monday, home learning will continue and teachers will be available for you to contact between 1.30pm and 3.30pm on a Monday & Wednesday and between 9am and 3.30pm on a Thursday & Friday. Please continue to contact your child's class teacher if you need to ask any questions. You can also contact me on the school number 01745 852757 or Sharon.A.Davies@denbighshire.gov.uk Thank you.

Phillip wrote to Everton football club, his topic is sport, and they are his favourite team. Then they sent a reply and a video with a goal keeping challenge for him and his class. I bet you can't wait to show the video to everyone Phillip.

Hello

Hi Everton, I am a big fan and I support you with my Nanny and Grandad. I have been to some matches with them and I love it. We always have chips and sausage before the game and I hope to come more often when you are back playing. I am in Year 3 in school and have been working hard at home while school is closed. My topic is sports and I have fun with my teacher joking about the best football team. She says it's Manchester United and I say it's Everton! My teacher is sporty, funny and kind and has sent me lots of good activities to keep me busy at home. My favourite player is Jordan Pickford and I am reading a book all about him. The book is all about his footballing journey and it is really inspiring me. Please could you say Hi to me and all my friends.

Hello Phillip,

Thank you for your lovely email.

You sound a very clever boy especially for supporting our fantastic club Everton.

I have sent your email on to one of our members of staff who will get a video sent across to you.

Keep up the good work with your school work Philip and hopefully you will be back at Goodison with your nanny and grandad enjoying sausage and chips.

Stay safe and we hope to you see you soon

Another wonderful crown!
Well done
Reuben.

Year 3 have been busy this week making all of their great crowns. Above is Athena with hers – super.

Maryah making a Father's Day t-shirt and cake and of her planting onions and then harvesting them. You've been busy Maryah!

Mikey wearing his Olympic crown with pride
It looks great Mikey!

Important!

Your child's annual report was emailed out yesterday. If you have not received it please can you let me know as soon as possible. Due to the current Covid conditions we have tweaked the format but we hope you will like the shortened version. Please email GrimwoodF@hwmail.net to acknowledge receipt of it and to let us know your thoughts on the new version. Thanks

Above is Sophia and the carrots that she's grown in her 'veg patch' that she pulled up this week. Sophia topped them and washed them ready for tea – I bet they were delicious Sophia!
