4<sup>th</sup> December 2020 (No. 12)

2R have enjoyed giving directions to Bee Bot and having races!

2R have searched for bugs down in the forest area. It looks like they found some too!

## Polite requests

Please can you leave the premises as soon as you have picked up your child/children. We ask that children do not play with balls or cycle on the school yard as this is a safety hazard.

Can I also remind everyone that the quad is a one-way system as part of our safety measures and we would appreciate everyone adhering to this. Finally, a reminder that if you are asked to self-isolate by the track and trace team this means not leaving your house.

There is further information on the Welsh Government website. Many thanks for your cooperation.

Reception J - collecting items in the forest and counting how many.

Reception J enjoyed making people puppets then making a house together for their puppet people to play in!

If you drive to school to pick up your child/children, please can you turn your engine off when waiting for them to come out as there are a number of health issues concerned with breathing in the fumes. We really appreciate your support with this. Thanks/Diolch
