26th March 2021 (No. 25)

Thanks to everyone who attended the PTA quiz last night and to Dan for organising it. Huge thanks also to Mr Edwards who hosted it for us.

This term has clearly been a very unusual one but fingers crossed when we return after Easter things will start to improve!

On a positive note our Breakfast and After School Clubs will open for working parents, however, in order to access these, you will have to register your child and book them in (not just turn up). If you would like to access these and haven't yet registered please email me and I will send you a form to complete. Once you have registered you can either fill in a booking form each week and send it in or email me at the end of each week for the following week just as you did when the hub was open. Thanks

Our beautiful yellow hearts to remember a year since lockdown started.

To remember a year since lockdown began Reception J coloured in lots of yellow hearts to make a beautiful window display. They also made a love heart from clay to take home and hang up somewhere.

Life Skills

We are really pleased that Life skills sessions can begin again. 3J will be on Monday 12th to Thursday 15th April. One group from 3G will also have a session on the Friday. Children having these sessions can come to school in their own clothes. Thanks.
