

Ysgol Penmorfa Newsletter

5th March 2021 (No. 22)

Donation – Thank you!

I had a lovely telephone call last week from a lady called Linda Hawkins (was Clarke) who attended Ysgol Penmorfa as a child. She called to give us a donation of £1000 as she felt lucky to have had the chance for such good grounding in so many areas. This was a wonderful surprise and I'm sure we will purchase something special for our Penmorfa children.

I believe Linda's year was the first at Penmorfa to take the 11+ exam. She passed this and went to St Asaph Grammar School (now Ysgol Glan Clwyd). Her brother Tony and sisters Cathie and Christine also attended Penmorfa. She said that they all remember the Eisteddfod, where there were so many chances to shine at something. Linda enjoyed the country dancing and athletics, Tony was keen on sport, particularly football and swimming and Cathie was in the netball team. If any of you remember Linda or her family please let me know and I will contact her as I'm sure she would be delighted.

1L made daffodils to celebrate St David's Day.

Marcus and Daniel from 3J, have both been busy exploring and learning about the history in their local area last week.

Marcus visited the Roman Baths as part of his mission work, and Daniel found the Roman helmet whilst out exploring at the weekend.

PIC-COLLAGES

Blwyddyn 4 have been celebrating Dydd Gwyl Dewi Sant. The children had a 'bake off' mission with a selection of traditional Welsh recipes to choose from. Elin's Welsh cakes look delicious!

2R wearing their daffodils with pride for St David's Day!
