

Ysgol Penmorfa Newsletter

17th December 2021 (No. 14)

This is the last newsletter for 2021 and is the last day of face to face teaching for the children before we break up for Christmas next week. Teachers will however, be providing online learning on Monday and Tuesday and will be available between 8.30am and 4pm should you have any questions or queries. Can we take this opportunity to thank you all for your support this term, we really appreciate it. It has been a difficult time for everyone and now with the new OMICRON variant it seems like we are not over the worst yet. Please continue to keep yourselves and others safe by wearing face coverings and keeping 2 meters apart. We hope that you all have a lovely Christmas and let's hope 2022 is better than 2021 has been. Nadolig LLawen a Blwydyn Newydd Dda.

The children had a fantastic time in the Panto last Friday. They absolutely loved it and their behaviour was excellent!
