Lost Property

We seem to have a huge amount of lost property at the moment (school jumpers or cardigans). Unfortunately, most items do not have a name so we are unable to give them back to the children. Please can you make sure that all of your child/children's uniform is labelled. Please can you also pop into the main entrance (by the office) to collect any clothing that you are missing before we break up for half term. Anything left in school without a name will be placed in the clothes bank during the holidays. Thank you for your cooperation with this.

3J enjoyed their 'Hands on History' lesson, learning all about the Roman diet. They dissected samples of 'Rich' and 'Poor' Roman poo, to learn about what the different classes in society ate. A messy but memorable learning experience! 😊

PIC•COLLAGE

This is an INSET day for school but maybe you'd like to link in with your child/children from home!

World Book Day is a registered charity funded by publishers and funders in the UK & Ireland.

Nursery have been focusing on height this week using the language short and tall.

They have been measuring the houses that they made using multilink before ordering them from shortest to tallest. Fantastic job Nursery!

Nursery have created simple algorithms (sets of instructions) to make the sprite (in this case the big bad wolf) move around the grid and blow down the 3 Little Pigs' houses.

"The big bad wolf blew the house down by moving. The big bad butterfly sprite went to the straw house. It had to make it's way but it went the wrong way and then the right way. The butterfly went on the straw house but it didn't blow down 'coz butterflies don't blow down houses, do they?"
- Lucy

"I made the sprite blow down the houses but he couldn't do it to the brick house because bricks are strong, super strong."
- Dylan
