### Exciting Development

Well the extension to the clwb building is now underway and we are excited to see the result in 2023! We intend to hold an open day for the whole school in Spring to include the new provision so watch this space! In the meantime, here is a picture of the area so far! Thanks for your support and understanding with this as I appreciate space is limited at the best of times to this is causing some extra disruption.

We're having lots of fun with our 'Let's Say...' lessons in BI 4 this half term. This week we went on an expedition through the rainforest when suddenly we came across a problem. We needed to find a way to cross a river, so the children decided to build rafts in our discovery zone. Gwaith gwych pawb!

**We are collecting any food items to deliver to community members for harvest. If you are able to donate please send in by Wed 26<sup>th</sup> Oct for us to distribute before half term. Thanks**

Wythnos yma Blwyddyn 4 have been following their own instructions to make 'Healthy Haf' fruit wands! They have learned how to give their opinions yn gymraeg including giving reasons.

**Thanks to everyone who came this week to our Coffee morning – we would love to see more parents on Tuesday. Please pop in for a chat and coffee and toast!**
