The remaining children in year 5 have learnt about Capel Celyn in the Tryweryn valley and how it was flooded to provide drinking water for Liverpool. They created a model village showing what it was like there. We flooded it, just like what happened in 1965. We protested and created story books/ presentations about what happened. The children enjoyed this project and felt passionately that we should never forget what happened... Cofiwch Dryweryn.

6C have enjoyed their time at Prestatyn High School for the Cultural and Diversity week celebrations. We enjoyed making Jamaican food.

Year 2 had a fun time at PHS this week taking part in culture week.

Massive thanks to everyone who supported the bingo last night, it was a huge success. Thanks also to all who donated prizes – we were inundated! We will have another one in the Autumn Term with a few tweaks and organise the hall differently to ensure we get everyone in!
