

# Ysgol Penmorfa Newsletter

22<sup>nd</sup> September 2023 (No. 3)

The children have been exploring the growth in the garden and were asked to think about what made them think WOW! Here are some of the things they said!

**"The sunflower growing in the polytunnel.**

**The sunflower growing through the gap of the bench.**

**All the bees taking nectar and pollen from the sunflowers.**

**Size of the sunflowers - as tall as my friend standing on my head.**

**How many tomatoes that have grown.**

**How everything has grown so much."**

They played listening games to identify the parts of the sunflower. They compared the sunflowers growing directly from the ground against the sunflowers at the front of the school (growing in containers) and talked about why there's a difference.

## Happy Birthday

Zoya G – 17<sup>th</sup> September

Lilly H – 18<sup>th</sup> September

Charlie-Lee G – 19<sup>th</sup> September

Evan H – 19<sup>th</sup> September

Anton W – 19<sup>th</sup> September

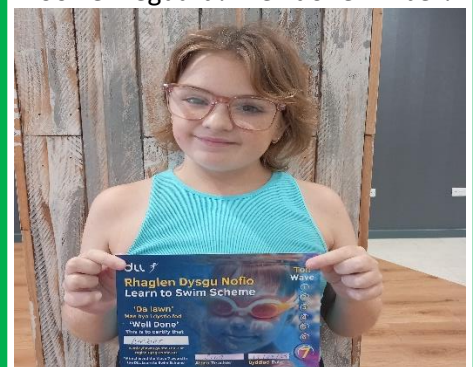

Cody B – 21<sup>st</sup> September

Amora W – 23<sup>rd</sup> September

Daisy has achieved her Wave 6 in swimming – Fantastic Daisy!

Amber has completed all her waves at swimming and is now on to the rookie lifeguard! Well done Amber!

What a fantastic first school trip for Y4 and super start to their new big question for this term 'What do we need to survive?'. They had an informative day learning all about the potential dangers at home and in their community and how they can keep themselves safe.

4J learnt all about how electricity is conducted during their second PowerWise workshop this week. They also chatted about different safety equipment that keeps electrical engineers safe when working near Power Stations, which the children enjoyed trying on.

Y1 enjoyed working outdoors to collect the correct number of natural objects to match their card.

Year 5 using the green screen to perform a poetry show.

Please scan the QR code below to complete a short questionnaire as we would like your feedback on our coffee morning sessions moving forward.

First coffee morning this year is Tuesday October 3<sup>rd</sup> at 9.15am All Welcome
