28th September 2023 (No. 4)

Hi Everyone,

We are approaching the Autumn and Winter months, which means the weather is going to start getting colder and wetter. Forest School and Gardening sessions will still be taking place in all weathers. Due to this we just wanted to send a reminder that when your child(ren) have got their life skills sessions please can they come to school with either wellies/spare shoes, old clothes and a warm coat.

Lots of lovely life skills pictures for you!

Some members of Year 6 interviewed a mermaid as part of their work on mythical creatures and false news stories.

Please can you make every effort to get your child/children to school on time. It really makes a difference if child/children are here at the start of the day not only for their wellbeing but also academically.

Better late
than never
**But never late
is better**
