26<sup>th</sup> January 2024 (No. 17)

Year 4 have been discovering their challenge question, 'What has shaped our world?' by finding out all about the Big Bang theory. Here are some examples of the wonderful acrostic poems & artistic expressions of the universe that the children have been working on this week.

## Learning Together

9<sup>th</sup> of February 2:00 – 3:00PM

This year we have introduced 'Boost', a new well-being initiative on a Friday afternoon. Pupils get a choice of classroom and activities to attend as part of our drive to improve well-being. We would like to invite parents into school to join in and see 'Boost' in action. You will again have the option of moving between children within the hour. Please message the class teacher/s to confirm you are able to attend so we can accommodate numbers on the day. We look forward to seeing you.
