After learning about life in the past without electricity Year 1 spent the afternoon using no electricity, which included no lights, iPads or laptops. They had lots of fun playing games, making sandwiches and using small candles (battery operated!!!) to light their classrooms.

'Year 4 enjoyed a magical themed morning as they began their latest Writing Chains journey focussing on Fantasy Fiction with an immersive hook.'

Year 5's Llangrannog Trip 2024

Joe in 1R was super proud to show his friends his football trophy. Well done Joe!

Netball @ Christ The Word

Reception F had a busy week learning about the Arctic and how we can help with global warming. We learnt to use the child friendly search engine 'swiggle' and we also talked about internet safety.

We watched an episode of 'Jessie and friends' and talked about internet safety. We thought about who we could talk to if we were worried.

This week was 'Arctic' week. We used 'swiggle' to help us research facts about polar bears 🐻
