

Ysgol Penmorfa Newsletter

17th May 2024 (No. 31)

Following their visit, North Wales Fire Service ask if all children could be encouraged to check they have working smoke alarms in their homes. Also, parents and carers are encouraged to check their smoke alarms are working and get in touch with the fire service if they think they might not be or would like a free smoke alarm and smoke alarm check. <https://www.northwalesfire.gov.wales/keeping-you-safe/at-home/free-smoke-alarm/>

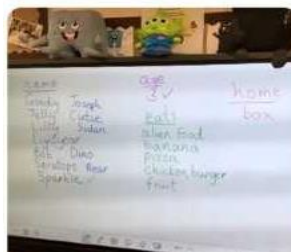

Happy Birthday

- Elsie-Leigh C – 12th May

- Millie W – 14th May
- Mohammad A – 15th May
- Khalif A – 16th May
- Harley M – 16th May
- Riley P – 16th May
- Lucas R – 16th May
- Caelan TD – 17th May

Polite Request

We appreciate parking can be difficult, especially at the start and end of the school day. However, please do not block driveways when parking to collect or drop off your children at school. We have received several complaints from neighbours on both Dawson Drive and St George's Drive. Please be mindful of residents needing access at all times to their own property. Thank you for your cooperation with this.

Following their topic on 'Space', Reception F received a very important letter this week telling them they were having a surprise visitor to their class. They searched everywhere and eventually found a friendly alien in the outdoor classroom. Their job now is to take care of it and teach it all about life on earth. They have named it 'Sparkle' and are so excited to have it in their class 🛸

What a fantastic opportunity last Thursday for our Careers Day. A huge thank you to Miss Owen for coordinating the event and to all of the people who delivered the sessions and helped make it such a success! Diolch i bawb.

For your information

There will be a special school dinner next Wednesday 22nd May. Anyone can have this as school meals are FREE.

Healthy Selfie

Cerys played in a tournament at the weekend and got player of the day. Fantastic Cerys!
