14<sup>th</sup> June 2024 (No. 34)

Reception F had a fantastic day developing their creativity. They collected natural resources, made headdresses, met a magical 'talking tree' and created their very own tree creatures out of clay.

Parents of Year 6

We are going to celebrate in style again this year with a Year 6 Leavers Party on Wednesday 17th July and would like to have a picture slide show running throughout the party showing different memories of your children and their time throughout Ysgol Penmorfa. Mr Nolan is asking if each Parent/Guardian could please email over no more than 3 pictures of their child, attaching their name and class to the email. All pictures need to be emailed over by Friday 5th July so that he can prepare the presentation. We will be unable to accept any pictures after this date and they will not be included in the slide show presentation. Please email all pictures to [nolanm19@hwbcymru.net](mailto:nolanm19@hwbcymru.net)

Many thanks for your help and support in this matter and we look forward to putting together a memorable slide show for the party.

1J have been training for a mini year group Olympics...practicing their long jump skills and measuring how far they jumped!
