21st June 2024 (No. 35)

It's that time of the year again! If you haven't already completed the annual questionnaire to parents, please can you do so. We appreciate all the feedback we get in order to continue to move forward. Thank you for your continued support.

Parent/Guardian Questionnaire
June 2024

Bl 4 have been learning about the benefits of walking to school for both their physical and mental well-being. They also considered the environmental benefits that this would have.

I'm writing to provide a reminder to all parents, carers and visitors to our school about the expected conduct in relation to use of social media. At Ysgol Penmorfa we are proud of the relationship we have developed with our families and have always maintained an open-door policy so that we can work together in the best interests of our pupils. Please can we ask that you refrain from posting negative comments about school or staff. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

Bl 4 had a great day at the Xplore Discovery Centre. They carried out an investigation where they extracted DNA from strawberries and also enjoyed spending some time exploring the scientific exhibits.
