## Absences

A reminder that we have an answer machine system in place to report any absences. Please ring the office, select option 1 and leave your child's name, class and reason for absence. Thanks

## Parking

We appreciate parking is difficult but please be mindful of our neighbours when dropping off and picking up and do not block their drives. It would be great to see more children walking to school to keep fit and healthy!

6R found all of the sentences around the room and added a relative clause. Good work 6R!

Mrs Fuller's Nursery class have settled in really well and had lots of fun making new friends.

5C have been looking at poetic devices. They then went outside and imagined what it might feel like to be dropped in a new country. They then created a poem together using all the poetic devices they had learnt about.

6G have enjoyed working in groups to use different equipment to create and play their own games. They had some interesting and challenging games.
