A reminder that we have an answer machine system in place to report any absences. If your child is ill, please phone the office on 01745 852757, select option 1 and leave your child's name, class and reason for absence. We have a duty of care to know where our children are so this will avoid us having to phone or message anyone who doesn't let us know why their child/children are not in school. Thank you for your support and cooperation with this. Diolch.

We have a number of children who are arriving late. Please make every effort to get your child/children to school on time. If children are persistently late, we will be arranging a meeting for parents with our Family Link Officers from County. Thanks.
