6<sup>th</sup> June 2025 (No. 32)

**Year 4 are currently taking part in a Creative Learning project and need lots of different size cardboard boxes. If you have any please could you drop off at the office or take to year 4. Thank you.**

### PARKING

We appreciate parking is difficult at the start and end of the day but please do not double park on Dawson Drive as cars find it difficult to pass. It is also a health and safety hazard for all of the children and adults walking to school.

Please also be mindful of our neighbours and not park across the drives.

Thank you for your cooperation and understanding.

EYF are looking forward to their new topic about 'The Beach'. This week they enjoyed listening to stories, drawing on the iPads, painting sea creatures and exploring which materials float and sink.

Our new topic is 'The Beach' This week we read 'Commotion in the Ocean' and looked at sea creatures

4T have been writing instructions and following them to make "Healthy Haf fruit wands". As well as chopping, skewering and trying new fruits they have been learning to give their opinions on different fruits in Cymraeg, using "achos mae'n" to extend their answers.

*I can follow instructions to make a 'Healthy Haf Fruit Wand'*

*I can share opinions in Cymraeg. Dwi'n mwynhau bwyta watermelon achos mae'n blasus!*

5C have investigated the height of reaction this week when adding Mentos into different liquids.

What a great first day back Year 3 had. In PE they practiced their throwing and catching skills.

4J followed instructions that they'd written before half term and made their own healthy fruit wands this week!

Happy Birthday
