4R have been measuring different items in class this week.

4A were visited by Hannah and Owain who taught them how to change a bike tyre when there is a puncture.

Have a great half term everyone, I hope the weather is nice enough for you all to get out and about. See you all 23rd February (Remember it is INSET on 27th February).

Da iawn to the girls who competed at the girls' football friendly this week. A great first run out together as a team.

Let's Play Out sessions are offered, allowing children to choose their own activities and the equipment they want to use.

FEBRUARY HALF TERM LET'S PLAY OUT

Sessions are 'OPEN ACCESS' meaning that children are free to come and go. Under 10s are welcome but must be accompanied by a responsible adult.
