Some of the boys in 3J have built an impressive Lego set of the London landmarks during our current topic 'Worldwide Wanderers'.

Thank you Alex from Reaching Wider for coming in to upskill our Blwyddyn 5 children with their coding skills. We enjoyed making a buzz wire game and programming the MicroBits to make it work.

Year 3 have loved their music sessions with Denbighshire Music Cooperative this year. Thank you to all the staff at DMC for delivering such fun and engaging sessions, where we have had the opportunity to learn about and play a wide range of exciting instruments.

**This week, we say goodbye to Miss Thomas and Mrs McComish as they leave Ysgol Penmorfa to begin new jobs. I know they both leave feeling a mixture of excitement and sadness. I would like to thank both Miss Thomas and Mrs McComish for everything they have done for Penmorfa. They have made a wonderful contribution to our school community. Mrs McComish will be a great loss to Life Skills, and I'm sure the hens will miss her too! Wishing you both all the very best for the future – pob lwc!**
