After learning all about festivals
around the world, 3J enjoyed using
Adobe Express to make their very own
bright, colourful carnival masks.

Reception R went on an adventure with the Go Jetters to the Loch Ness in Scotland. The Go Jetters needed their help to build them a boat. Their boats needed to float, be waterproof and be able to hold at least one Go Jetter. The children loved making and testing their boats.

Year 5 enjoyed a visit from 'World of Work' where the pupils
became forensic scientists for the afternoon.

**It's been really warm this week.
A reminder to send your
children in with a hat and drink
when it is really warm so that
they can stay safe and hydrated.
Please also apply some suntan
lotion before they come to
school. Thank you for your
support and understanding.**

As part of the beach topic, Nursery F used their senses to explore sensory trays to compare rock pools and sandy beaches.

Year 3 enjoyed hunting for right angles out and about around the school grounds.
